Kentucky Pharmacists Association Pharmacy Student Legislative Day Is Nov. 16, 2011 at the Kentucky Capitol

FRANKFORT, Ky. (Nov. 15, 2011) – Kentucky Pharmacists Association Pharmacy Student Day activities are scheduled to begin at 9 a.m. Nov. 16, 2011 at the Kentucky Capitol. Students from the University of Kentucky and Sullivan University will attend a day-long event to learn more about how pharmacy providers interact with the state legislature.

Speakers include: Senator Julie Denton, (R) Louisville; KPhA President Lewis Wilkerson; KPhA Past President Richard Slone; Jan Gould, senior vice president at Kentucky Retail Federation; Van Ingram, executive director of the Office of Drug Control Policy and Larry Hadley, President of the Kentucky Board of Pharmacy.

“We are excited to welcome more than 100 students from Kentucky’s two colleges of pharmacy to the capital for this special program,” said Robert McFalls, Executive Director of the Kentucky Pharmacists Association.

The day will wrap up with an optional viewing of the Interim Joint Committee on Health and Welfare, which will be discussing pharmacy related issues.

Pharmacy Student Day is sponsored in part by the American Pharmacy Cooperative, Inc.; American Pharmacy Services Corporation and a generous member of the KPhA Board of Directors.

“The sponsorship we received from our sponsors is invaluable to this event,” McFalls said. “Their generosity allowed us to expand the program and offer a more valuable educational experience.”
