

Transdermal Health Solutions LLC is in need of a PIC in the Louisville area. Transdermal Health Solutions LLC is a network of compounding pharmacies with corporate headquarters in Rome, Georgia. Our new facility in Louisville will be a 10,000 sq ft compounding pharmacy and will serve as a regional hub. This is a unique opportunity for the right pharmacist to be part of a growing national network of compounding pharmacies specializing in topical transdermal pain compounds. Please contact Ross Domke RPh at rdomke@rlrep.com.
