

Bluegrass Pharmacists Association February Meeting

I would like to take this opportunity to invite everyone to the first Bluegrass Pharmacists Association meeting of 2012. Please join us for networking, CE, and association business!

The executive officers and Board of Directors have met already this year and we have been working on setting up the first meetings of the year, discussing the need for By-Laws updates, and planning a late spring retreat - plus a few surprises. However, we can't do it without you - the most important part of our association!

Membership is the KEY to surviving and doing well as an association. For those of you that have not paid your dues yet this year, you may bring a check to the meeting or use our new method of paying by credit card! During the meeting we will be introducing the new Bluegrass Pharmacists Association Facebook Page.

I look forward to seeing you all on February 28th!

Anne PolICASTRI
President, Bluegrass Pharmacists Association
